Quick Check

2/8

1. Fill in the blanks with the help of the given clues.

- The sun shines brightly on a sunny (Words in Brackets) (sunny/chilly) day.
- Branches of trees move on a windy (sunny/windy) day.
- Dark clouds hide the sun on a cloudy (cloudy/chilly) day.
- The weather becomes cool (cool/hot) after the rain.

8. Write True (T) or False (F).

- Weather of a place keeps on changing. T
- The weather is very hot on a chilly day. F
- It snows on the mountains on cold days. T
- We see a rainbow in the sky on a windy day. F

C. See the picture clues and write what kind of day it is.

Sunny

cloudy

rainy

cold

(Picture Study)

(Write and Learn)

D. Answer the following questions.

- When does the sun shine brightly?
- How does the weather become after rain?
- When do we wear woollen clothes?
- How is the weather on a cloudy day?

Let's Talk

What will you do to help a child if you see him sitting on the pavement without a sweater on a cold day?

Think and Tell

Name two things each that you like to eat on a hot day and on a rainy day.
